Michelle de la Coeur  Painting
Artist Profile

Michelle has had a great interest in anything to do with art and craft. In year 10 at school she was introduced to oil painting and this became her main passion. “I also love using pastels and doing pen and pencil drawings. I work mostly from photos I've taken of landscapes or flowers in my garden. Art is my hobby and I've participated in Art Red Hill since 2007. I have also entered and sold oil paintings and pen drawings at the Balnarring Art Fest.”

Michelle has also taught Japanese and art in schools on the Peninsula for 15 years and is currently teaching Japanese at Balnarring Primary School.
“This year I’ve entered 2 flowers from my garden, a sunset from my back veranda and an image I took away with me from a holiday in Marysville.”
