Julia Charles Photography

Artist Profile

Julia is a Sydney based photographer.

She was born in Melbourne and has a background in art and design. With family on the Mornington Peninsula she has been a regular visitor for over 30 years. For her, this region is a place of happiness, solace, nurture and contemplation.

She has been a photographer for 15 years. She loves to make images that don’t look like photographs, which are not explicit and obvious, images which allow the imagination to wander and perhaps make suggestions but do not give definitive answers.
